Your first legend starts here

10 USDT Activate / receive 28 MALAI

10 USDT / One-time fee

Activation and collectible orders are separate. Each collectible order requires its own payment.

Six steps

Register and activate → Prepare MALAI and reserve before the cutoff → Join the session → Pay within 50 minutes → Hold for the full period → Receive the maturity payment. All sessions share one reservation window: 00:00-10:00 Beijing time (UTC+8). Unreserved purchases are allowed and consume 30% more MALAI.

Nine daily sessions
Make time for your favorite

10:00-21:10 / UTC+8

Morning show · Afternoon show · Evening show / 10 minutes per game

10, 11, 13, 14, 15, 16, 19, 20, 21 click opening; only open sessions can be participated.

Full-period rates: 5%–30%

Each rate applies to the horse’s entire collection period, not each day. Transaction and execution conditions apply.

MALAI
Connects each step

Reservations · Swaps · Permitted transfers · Games

Refund or consumption depends on the outcome

All sessions share one reservation window: 00:00-10:00 Beijing time (UTC+8). Unreserved purchases are allowed and consume 30% more MALAI. The MALAI fee is deducted when you secure an order. If you do not secure an order, the reserved MALAI is returned.

Upline/downline transfers and swap sales: 5% each

MALAI is the platform ecosystem token, used for reservations, swaps, transfers permitted by the rules, and ecosystem games. Bonuses can buy MALAI at the platform’s real-time price. Existing fee rules apply.

Eligible user: holds an item currently in collection

Regular referral eligibility

Hold an active collectible and satisfy the conditions of the relevant reward.

Regular referral rewards

The bonus is calculated in USDT and is settled according to the actual consumption of the corresponding subordinate and the rules of each award.

Know how rewards work
Build with clarity

Direct: 5% / Generation: 1% / Differential: 5%–80%

Direct, generation and rank differential rewards

Calculated according to the actual consumption and award rules of the corresponding subordinates; each new 1 name is effectively directly pushed to unlock 1 generation 1%, up to 20 generation.

Same-rank reward: 10%

When you and a direct referral hold the same rank, the 10% reward follows the same-rank rules and is credited to the reward balance.

V1–V9
Clear steps to each rank

Member count + Personal MALAI consumption

V1–V7: Members / MALAI consumed / Rate

5/50/5% · 15/100/10% · 50/200/20% · 150/400/30% · 300/600/40% · 600/1000/50% · 1000/1500/60%

V8 / V9: Branch conditions

2 V7 members across 2 branches → 70%; 3 V8 members across 3 branches → 80%. Consumption is in MALAI; counts refer to qualifying members.

Weekly order-amount leaderboard

Make reservations and snap up 3 / 6 / 9 times every day

Recommend 1 valid users. Receive rewards after completing the corresponding tasks. The amount is subject to the announcement on the official page.

Daily check-in

Eligible users who check in every day for 7 consecutive days receive 1 entry to Five Blessings, the wheel game. The weekly leaderboard ranks users by their purchase order amount for that week. 1st: reward to be announced; 2nd: 188 U; 3rd: 88 U; 4th-10th: 188 MALAI each.

50 minute fulfillment
Keep your collection on track

Pay within 50 minutes / Rewards can cover up to 100% of an order

After grabbing, the payment will be completed within 50 minutes.

After 50 minutes without completed payment, referral rewards stop and automatic payouts for orders whose proceeds have not yet been received are suspended.

Rewards can cover up to 100% of an order

The reward balance can pay up to 100% of an order. If it is insufficient, pay only the shortfall separately in USDT. The reward balance can also be used to buy MALAI directly. Bonus-to-MALAI purchases use the platform’s real-time price and follow the existing fee rules.
